Summary: So during the talk in Ch 14 in WHTM Spitlout chose to follow the viking way and fight dragons. forcing Hiccup to take another path.

Useless love on the run

This is the other version of the WHTM Useless love Chapter 14â€¦ Useless Love on the run.

Stoick

So I lead the three of them to raven's pointâ€¦ Once there they met my son, a night fury and his wife, er, mateâ€¦
>"This dragon is the one you spoke of?" Asked Spitelout.<p>

"Yes it is brother."

"This dragon has brainwashed you and you have brought us here to have the same done to us!"

'No I will not do as you say. Now listenâ€¦ read.'

"So dragon this is how you will do it?"

'No, I am not doing as you say Spitelout!'

"Ha, I don't think so devil." Spitelout pulled his sword,

'**LISTEN TO ME AND THROW THE SWORD AWAY!**'

Spitelout flinched back and looked at his weapon for a second then raised it back up.

My son was getting well, really mad that my brother wasn't listing to him.

"Brother just let him explain his side and the offer he has for all of Berk."

He looks to me, then at his sword.

"If he suggest something impossible I will consider it an attempt of him getting into my head and try to do to me as he did to you. And I will consider him as he should be the enemy, and you a brainwashed thrall of his."

'I promise you Spitelout I will try no such thing nor do I have the ability to do as such. I know why the village is attackedâ€¦ It is because of a tyrant queen.'

"Aha, and what you want us to just give our food and livestock to the other dragons, or while the leaders of the village are away they are attacking now?"

'No, and I don't plan to. I want to stop this war, I want there to be peace. Because the one special to me hereâ€¦' I nuzzle Toothless whom had taken residents under my wing purred and stretched out, half opening an eye at Spitelout. 'â€¦needs a nest where we don't have to worry about being attacked or encroaching upon another's domain.'

Spitlout stared at the words for a moment. He then gripped his sword harder and pointed it at me.

"So Stoick this is how it is, you betrayed Berk and became a thrall to these demons!? I will not let this stand, as of now I am chief of Berk. I release you from thisâ€¦"

A fireball took Spitelout's sword away, it was white and hot. Hiccup was snarling at Spitelout. Spitelout yelled his anger at Hiccup. Hiccup roared back but with words for him.

'**Fine, I was going to offer peace, but you refused. Now I will take my dad, Gobber, and the elder whom I sense are allies to me and love. Goodbye Spitelout.**'

He then head-butted Spitelout knocking him into a tree. He was still angry, at this time Toothless his um mate had gotten up and was in a defensive position. Hiccup grunted at her and she jumped over and grabbed Gobber. He grunted again, she whined, he snorted. He looked to me and motioned to his back. I got on, he motioned from the elder to his back. Gothi walked forwards and climbed onâ€¦

He then took off to the sky with Toothless followingâ€¦

So here is the other chapterâ€¦ Yes when Hiccup gets mad he can be heard by anyone. He could turn human if he wished but at that time it was better for him to be in his now permanent natural stateâ€¦

If you like please reviewâ€¦ As with bad switch will not be updated till after the mainline and subline of Useless love is complete.
